Dear Fellow Minister:

You have been serving in Jehovah's organization for some time now and have been entrusted with responsibility to 'shepherd the flock of God.' We know you appreciate this privilege and blessing from Jehovah. This means, of course, that you bear a heavy responsibility in the congregation as a teacher of God's Word and as one who wants to set a fine example for the flock by applying Bible principles in all that you do. This then is your invitation to attend the Kingdom Ministry School arranged for your area. Your application form is enclosed. We are confident the training afforded by the Kingdom Ministry School program will aid you to go on doing these things in fuller measure.—1 Pet. 5:1-3.

Upon acceptance of your application form you will be enrolled in the Kingdom Ministry School conducted at Denver, CO.

The length of the course of study is two weeks, and during that period of time you will be able to devote nearly all your waking hours to study of God's Word and to discussion with other elders of ways in which to accomplish the work Jehovah has entrusted to you. You will attend classes Monday through Friday from 8 a.m. to noon and from 1 to 5 p.m. and Saturday 8 a.m. to noon. There are no classes Saturday afternoon and Sunday. Evenings are used for homework or attending meetings. It is two weeks of intensive spiritual training.

If you live some distance from the school and thus will not be in position to live at home, traveling to the school each day from home, you will be accommodated near the school location. If others from your area are being invited to attend this same class, their names are shown at the end of this page. You may be able to get in touch with them and travel together as a car group. This will save on expenses.

Should there be any reason why you are unable to arrange your affairs to attend the school, please return the application form as soon as possible with a letter of explanation attached. Inform us if it would be convenient for you to attend school at another time. Please

Those with whom you might wish to travel:

bear in mind, though, you are being invited now to the school in your area. If you cannot attend the period indicated, please inform us what distance you would be able to travel to do so.

It is our prayer that this course of special training will bring many blessings to you, and, through you, to the brothers and sisters with whom you serve. May Jehovah's rich blessing go with you as you serve whole-souled in advancing the interests of pure worship.

Your brothers and fellow servants,
