Re: RONA Discount Program

Dear Brothers:

We are pleased to inform you that the branch has renewed the program allowing you to purchase items from RONA at a discounted price. (RONA subsidiary stores are not obligated to participate in this discount program. Therefore, please inquire prior to making purchases to see if they will make any price concessions. The subsidiary stores are: Botanix, Chester Dawe, Curtis Lumber, Dick's Lumber, Noble Trade, Reno Depot, and Totem Building Supplies.)

You may benefit from reduced pricing on a variety of maintenance materials or garden items, if available, for the Kingdom Hall. The program applies to items such as paint, flooring, plumbing, furniture, electrical, hardware, and building materials or seasonal items such as snow shovels or lawn sprinklers.

The discount arrangement operates in the following way:

- Use the RONA trade card that was initially sent to each title-holding congregation and Assembly Hall Committee.
- Before using the card, approach the Commercial/Contractor Desk at the store. Identify yourself as a member of a Kingdom Hall or Assembly Hall of Jehovah's Witnesses. Present the card and discuss what discount pricing may be expected at time of purchase. (Stores may not be able to provide a blanket percentage or dollar discount price on all products, but they may make some concessions.)
- At the time of purchase, present the RONA trade card to the Commercial/Contractor Desk and pay for the item(s) in full, in the usual way (cash, check, credit/debit card, etc.).
- If there happens to be some difficulty using the trade card, or if the Commercial/Contractor Desk personnel is not familiar with the arrangement, please have the store manager call the appropriate provincial RONA Corporate Sales Representatives listed below:
  - Newfoundland/Labrador, Ontario, Northwest Territories, and Yukon
    - Terry Richardson: 905-866-3670
  - Maritimes
    - Robert Knox: 902-240-7050

Please do not use this card for new Kingdom Hall or Assembly Hall builds or for major renovation projects in which the Regional Building Committee is involved. There is another arrangement in place with RONA for these projects. Note that this provision is *not* for personal use.

We trust this discount arrangement will be beneficial for saving dedicated funds. Please accept our Christian love and warm greetings.

Your brothers,
