TO ALL BODIES OF ELDERS

Re: Annual items for 2014

Dear Brothers:

The May 2013 *Publications Announcement Sheet* listed annual items for 2014, which may be requested using jw.org.

Immediately, the coordinator of the body of elders should arrange to have an announcement made instructing publishers to request annual items from the literature servant. The *Record of Special-Request Items* (S-57) may be used to record individual requests.

In order for the branch office to meet the production and distribution needs of all congregations and reduce the extra cost involved with rush shipments, **each congregation** should enter its own request using jw.org no later than **September 1**. The service overseer should work with the literature servant to ensure that the requests are submitted by this date. Soon thereafter, the quantity of annual items that a congregation can request using the site will be lowered to the standard limit allowed for extra requests (five per congregation). As a reminder, these items are considered special-request items. Therefore, quantities should not be submitted in anticipation of requests, but should reflect the actual quantity requested at the literature counter.

Please note that *Watchtower Library—2013* is available for Jehovah's Witnesses, unbaptized publishers, and those who regularly attend meetings and qualify to receive *Our Kingdom Ministry*. This provision is only available through the congregation. Publishers who make extensive use of *Watchtower Library* and no longer use bound volumes should consider whether they need to request the bound volumes.

We send our warm Christian love and greetings.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
