Re: Revision of *Sing to Jehovah—Piano Accompaniment*

Dear Brothers:

We are pleased to announce that the recordings for *Sing to Jehovah—Piano Accompaniment (iasn)* have been revised and are now available on the jw.org Web site for downloading. These new recordings have improvements in their tempos, pausing, and sonic quality. The changes were based on careful observation during many congregation meetings over the past few years.

These new files will be made available only on jw.org. We encourage each congregation to download the revised files so that all can benefit from the improved accompaniment. As indicated in the December 2011 *Our Kingdom Ministry*, these recordings may also be played at a comfortably low level before and after the meetings at the Kingdom Hall.

Please be assured of our warm Christian love and best wishes.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*

PS to coordinator of the body of elders:

Please arrange for this letter to be read to the congregation at the first Service Meeting after its receipt. Thereafter, it should be posted on the information board.
