Re: Service Meeting part for week of October 14, 2013

Dear Brothers:

The instructions for the Service Meeting part entitled “*Kingdom News* No. 38 to Be Distributed in November!” that will be considered during the week of October 14, 2013, direct that a copy of *Kingdom News* No. 38 be distributed to each person in attendance. Most congregations have likely already received their requested supply of printed editions of *Kingdom News* No. 38. However, please note that beginning Monday, October 7, 2013, *Kingdom News* No. 38 will be available in the “Publications” section of jw.org in many languages in HTML, audio, and PDF formats. Sign-language editions will be available in video format.

The brother assigned the Service Meeting part should announce to the congregation that beginning November 1, 2013, *Kingdom News* No. 38 will be featured on the home page of jw.org. Publishers should be reminded that if they encounter an individual who speaks another language, the person should be directed to jw.org to read *Kingdom News* No. 38 in his own language. If you frequently encounter people in your territory who speak another language, the demonstration could highlight the publisher using a mobile device (whether his own or that of the householder) to show *Kingdom News* No. 38 in the householder’s own language on jw.org.

The key point we would like conveyed in the Service Meeting part is that whether or not a publisher uses a mobile device, we should all make a conscientious effort to direct interested persons to jw.org.

Thank you for noting this direction.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
