BODY OF ELDERS  
ALL CONGREGATIONS IN BRITAIN AND IRELAND

Re: JWIndiaGift.org

Dear Brothers:

Please share the following information with anyone in your congregation who has an Indian passport:

At times, Indian citizens living abroad have enquired how they may support the work in that vast field. Because of certain restrictions on sending money to India, a Web site has been set up that allows anyone who has an Indian passport, to donate directly to support the Kingdom work in India. It is [www.jwindiagift.org](http://www.jwindiagift.org). If the donor has a bank account in any of the 33 banks listed on the Web site, the contribution either to the Worldwide Work or Kingdom Hall Construction Worldwide can be transferred direct to the bank account of the branch in India. Instructions on how to do this are enclosed.

Alternatively, the donor can contribute by sending a cheque/draft in favour of "Jehovah's Witnesses of India" and payable at Bangalore, India. It should be mailed to Jehovah's Witnesses of India, PO Box 6441, Yelahanka, Bangalore-KAR 560 064, India. For legal reasons the donors will need to enclose a photocopy of their Indian passport page that identifies them as Indian citizens.

This is not to be viewed as a solicitation of funds. We provide this information so that the brothers may be aware of how they may fulfil their desire to support the fine work being done in India.

Please accept our warm love and greetings.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*

PS: This letter should NOT be read to the congregation. Please keep a copy on file, along with the enclosures, and make available to individuals as necessary.
